Dear Sir / Madam,
I am writing to you about the notice I have seen in a student magazine.
I am interested in going to California to study as I have heard ~~that~~ ^{the} best education is given ~~there~~ ^{here}. More than that I want to study at the University of Modern Art which I cannot find anywhere else ~~or~~ neither in the USA nor in the UK. going to this ~~school~~ ever has been a dream of mine since I was ten years old. I have always wanted ~~to be~~ ^{be} an artist or a designer so after I finished university I plan to work in one of these fields. However there is one thing that is stopping me from fulfilling my dream I have been nothing as a waitress for the past three years at a local restaurant. Unfortunately, my salary is not big at all and I cannot afford my kind of education. I want to apply for a financial aid program to get enough money and a job I have always dreamt of and I have a few questions. How can I apply for the program? What are the requirements for it?
Thank you for taking your time and reading my letter. I look forward to hearing from you.

Style
Yours faithfully, Best wishes,

May
