Writing

I have been to a great restaurant in my local area recently. I'd really like to share my experience with you.

It is called 'The seaside' and it serves Italian food. The vegetarian pizza I've ordered has made a lasting impression on me. The restaurant also sells fried fish, salads, grilled vegetables and fresh pastry. The people who work there are professionals. The waiters will recommend you the best dishes, and Sebastian Gracé, an Italian chef, will cook everything for you.

The place itself is stylish. It's roomy and has got huge windows. The walls are painted in yellow, which makes you feel as if you're by the sea.

Of course, I'd recommend 'The seaside' to other people of my age since teenagers enjoy pizza and pastry!
