Writing

What an unsuitable name!

A restaurant called "Chulan" is situated in the Pochtovaya street, nearby my school. Despite that it has an unpleasant name, ~~for~~ it is a very homelike place with ^{the} calming atmosphere.

The waiters and the other people who work there are very friendly and helpful. They always can recommend you something on the menu. Speaking of the menu, it has mostly Italian food. Personally, I like their pizza made of rice flour the most.

The interior of this place is very cozy. There are wooden details everywhere: on the floor, on the walls. Overall, this place looks nothing like it ^{is} called.

I often go there with my friends, so I think this restaurant is suitable for teenagers. To conclude, I like it and would recommend everyone to visit it.
