P "Ask Larry" is one of the best fast-food restaurants I have ever visited in our town.

There you can find fried potatoes, hamburgers and various sauces. Moreover, the restaurant offers not only fast food that some people consider dangerous for their health, but also green salads with vegetables for those who follow a healthy diet.

The restaurant is quite small, so there are only four staff members, one of which is the owner. Larry doesn't cook or serve the customers, but he seems to know his every visitor. Larry enjoys listening to their stories and always gives them a piece of his advice.

You can easily notice the restaurant from the street: it has a big neon signboard above the entrance. "Ask Larry" looks very cosy on the inside. It's decorated in pastel colours, and classical music ~~is always played~~ <sup>140</sup> can always be heard there.

I suppose ~~the restaurant~~ ~~you~~ going to this restaurant is convenient for young people, <sup>154</sup> especially students. There ~~you~~ <sup>they</sup> can ~~quickly~~ have a snack before their classes and study in a quiet relaxing atmosphere in the evening. ~~The opening hours~~ ~~are~~ "Ask Larry" opens early in the morning and the closing hours are quite late.

However, I would recommend this restaurant to anyone, not only the young. Everybody will enjoy ~~some~~ delicious fried potatoes and a friendly conversation with the owner!
