English club

Do you have dreams about travelling? Moving to another country? Do you want to watch movies or read books in original language? Great, cause "Global English" is inviting you!

"Global English" is a club where you can learn English easily. The lessons are never boring because the teachers here are professionals. One of the best things about the club is that here we study English not only in theory. Students have a lot of interesting projects, so they can practice their speaking.

Participants will take part in different olympiads and competitions, so if you're going to college or university it can play a big role for you!

The lessons start will start on Monday, 23th at 5pm. We will have two classes a week, one is on Monday and the other one is on Thursday, 5pm.

Hope to see you there! 138
